

Margo DeVries-Rizzo - BIO

Margo DeVries-Rizzo is a Nurse Practitioner in Pediatric Neurology at Children's Hospital, London Health Sciences Centre. She is also an Adjunct Professor in the Faculty of Health Sciences, Western University.

She has been a nurse for over 26 years, obtaining her Bachelor of Science in Nursing from the University of Windsor and her Master of Science in Nursing from Western University. She has had an extensive career in critical care but has always combined the clinical and academic settings.

She has been a Neuroscience Nurse Practitioner for over a decade now and has a busy outpatient practice. Her areas of interest include headaches, intrathecal baclofen, seizures and epilepsy surgery.

Although she is passionate about health care, she is most proud of being a mother of three awesome children.

She has presented locally and nationally on numerous occasions and is pleased to have the opportunity to present here today via telemedicine for the CNA Neuroscience Nursing Certification Exam Preparation & Review Course .
