

This package has been developed to assist health care providers interested in the implementation of the best practice guideline: Management of the Hemi Arm. We hope that you find any of the package contents helpful, and wish you much success.

We are also interested in hearing from you. Please feel free to complete the Feedback Form enclosed in this package.

Thank-you,

The Planning Committee:

Dalia Abromaitis, Jennifer Curry, Lorraine Katsios, Janet Liefso, Mary Thomas, Deb Willems, Sharon Wyville.
